**On the Evolution of Human Behavior** Jun 20 2020 "Challenging many of the premises of conventional anthropological theory, 'On the evolution of human behavior' draws on recent evidence from psychobiology, linguistics, and ethology to trace the evolution of human social behavior from that of other primates. Rejecting the assumption that significant behavioral discrepancies between man and other primate species stem from equally significant psychological differences, Reynolds argues instead that small evolutionary changes may result in greatly increased complexity of behavior. His frankly ethological theory of human origins assumes that reason and instinct evolve together and that instinctual mechanisms are necessary for the emergence of human culture." -- book cover.

**The Rejected Groom** Apr 11 2022 Anthony (Tony) Larson and his twin brother, Mark, have been asked to marry one of the two unfortunate women who are in need of a husband. One woman is Velma Murdoch and the other is Natalie Harper. Tony falls in love with Velma as soon as he meets her, and he's excited when Mark tells him she's chosen him to marry. What he doesn't realize until he marries Velma is that she thought she was marrying Mark. But Mark tricked both of them into marrying each other so he could be with Natalie. While he's upset with Mark for deceiving him, he's even more upset to find out Velma had wanted to marry Mark instead of him. Velma is just as upset with Mark as Tony is. A marriage to Tony isn't going to work out well at all. He's a farmer who lives in a sod house, and she doesn't know the first thing about housework or cooking. She was much more suited for Mark who owned a business. Just how are two people who are a bad match going to find common ground? She can't cook anything right, she's scared of bugs and snakes, and there's no way she can make clothes. She was brought up to help her future husband entertain guests at dinner parties, not help out on a farm. Can a man who feels rejected and a woman who doesn't feel competent on a farm find something as wonderful as love?

*Traffic Grooming in Optical WDM Mesh Networks* Oct 13 2019 Optical networks based on wavelength-division multiplexing (WDM) technology offer the promise to satisfy the bandwidth requirements of the Internet infrastructure, and provide a scalable solution to support the bandwidth needs of future applications in the local and wide areas. In a wavelength-routed network, an optical channel, referred to as a lightpath, is set up between two network nodes for communication. Using WDM technology, an optical fiber

link can support multiple non-overlapping wavelength channels, each of which can be operated at the data rate of 10 Gbps or 40 Gbps today. On the other hand, only a fraction of customers are expected to have a need for such a high bandwidth. Due to the large cost of the optical backbone infrastructure and enormous WDM channel capacity, connection requests with diverse low-speed bandwidth requirements need to be efficiently groomed onto high-capacity wavelength channels. This book investigates the optimized design, provisioning, and performance analysis of traffic-groomable WDM networks, and proposes and evaluates new WDM network architectures. Organization of the Book Significant amount of research effort has been devoted to traffic grooming in SONET/WDM ring networks since the current telecom networks are mainly deployed in the form of ring topologies or interconnected rings. As the long-haul backbone networks are evolving to irregular mesh topologies, traffic grooming in optical WDM mesh networks becomes an extremely important and practical research topic for both industry and academia.

**Boomerang Bride** Oct 05 2021 A fun romantic romp from Australian author, Fiona Lowe. One bride, one cake, no groom.... let the chaos begin! Matilda Geoffrey risked it all for love. She left Australia to be with Barry—the man who swept her off her virtual feet. Now, wearing a wedding dress, she's alone on Main Street in small-town Wisconsin, and things aren't working out exactly as planned... In town for his annual family visit, Marc Olsen had never seen a bride quite like Matilda—staring into a storefront window, holding a tottering wedding cake, and looking desperately in need of a groom. He may not have any warm feelings for his hometown, but meeting Matilda just as she discovers she's been scammed by her online “fiancé” stirs something in him. Matilda is not the kind of woman Marc imagined himself with, and Marc is anything but the romantic hero that Matilda has always dreamed of. But as unlikely circumstances throw them together, can they let go of their misconceptions and risk their hearts for love? Winner of the Romance Writers of America's Rita award in contemporary romance. “With the perfect mixture of romance, sadness and Australian/American wisecracking, Boomerang Bride is one of the best romance novels this reviewer has read in a long time. Especially when those same friends suggest, nudge, and push them into traveling East together to join their respective families for Christmas by spending eighteen hours in a car together. Except they never made it out of Wyoming, thanks to an early-arriving blizzard. **Match Made in Wyoming (Wyoming Wildflowers, Book 3)** Dec 27 2020 Wildflowers have to be strong and resilient to bloom amid the rugged beauty of Wyoming – and so do the women. "Melt your heart romance" -- Old Book Barn Gazette When fire ravages Wyoming land, fireweed is among the first plants to return, brightening a blighted area with the joy of its blooms. Small-town lawyer Taylor Anne Larsen faces the challenge of doing the same for the pain-ravaged heart and disbelieving soul of cowboy Cal Ruskoff. Armed with the same grace and grit as the wildflower fireweed, Taylor also has allies - a matchmaking friend, a Wyoming blizzard, high-octane mutual attraction, being snowbound, and a rescue dog who slips past Cal's defenses. Cal might give in to passion temporarily, but from behind the wall he's built around his past and his secrets, he's certain Taylor is all that he can't let himself have. And he'll use all his weapons to keep her out. "These characters -- their dialogue, their fears, their complex personalities -- are very real. As a reader, I couldn't help fall under Cal's spell -- a good, troubled, mixed-up man who forces Taylor to confront some of her own demons, even as he refuses to face his own ... There's a lot of subtle -- and not so subtle -- humor here, the love scenes are at once tender and sizzling, and the emotions and fears of both characters wrap themselves around the reader's heart and don't let go." – 5\* review Match Made in Wyoming delivers romance, humor, and emotional impact in the contemporary western romance collection Wyoming Wildflowers from award-winning and USA Today bestselling author Patricia McLinn. **Sexual Grooming** Jun 01 2021 This book provides an in-depth overview of the current research on sexual grooming. It explores the process by which an individual seeking to commit a sexual offense skillfully manipulates a potential victim into situations in which abuse can be more readily committed, while simultaneously preventing disclosure and detection. This volume addresses this understudied phenomenon and comprehensively examines what is currently known about the construct. It provides a thorough introduction to the sexual grooming literature, focusing on the history of the term and how sexual grooming strategies have become more publicly recognized through high-profile cases, as well as those in child-serving organizations (e.g., Catholic Church, Boy Scouts of America). The book reviews the various proposed models of sexual grooming – including the Sexual Grooming Model (SGM) – that detail the overarching steps or stages involved in the process. Michigan, 1880 Annalisa Werner's hope for a fairy tale love is over. Her husband failed her in every way and now his death has left her with few options to save the family farm. She needs a plentiful harvest. That, and a husband to help bring it in. Someone strong, dependable. That'll be enough. A marriage for love...that's something she's given up on. So her father sends a letter to his brother in the Old Country, asking him to find Annalisa a groom. Then a man appears: Carl Richards, from their home country of Germany and a former schoolteacher--or so he says. He's looking for work and will serve on the farm until her husband arrives. With time running out, she accepts his help, but there's more to this man than he's admitting. He's also gentle, kind, charming--unlike any man she's ever known. But even as Carl is shining light into the darkness of her heart, she knows her true groom may arrive any day. "Swiftly becoming a well-known contender in the world of Christian historical fiction, Hedlund skillfully taps into her own German heritage to develop this tale of Old World romance and masked identity set against the backdrop of a nineteenth-century German American community." -- Booklist
