**Wallace Stegner** Oct 04 2021 Drawing on nearly ten years of research and hundreds of hours on interviews, this authorized biography traces the trajectory of Wallace Stegner's life from his prairie childhood in Saskatchewan and teenage years in Salt Lake City to his prominence in the environmental movement. of photos.

**All the Little Live Things** Jul 13 2022 'Timely and timeless ... Will hold any reader to its last haunting page' Chicago Tribune The early life of Joe Allston, the retired literary agent of Stegner's National Book Award-winning novel, *The Spectator Bird*, features in this disquieting and keenly observed novel. Scarred by the senseless death of their son and baffled by the engulfing chaos of the 1960s, Allston and his wife, Ruth, have left the coast for a California retreat. And although their new home looks like Eden, it also has serpents: Jim Peck, a messianic exponent of drugs, yoga and sex; and Marian Catlin, an attractive young woman whose otherworldly innocence is far more appealing - and far more dangerous. 'The Great Gatsby captures the twenties and yet transcends them. All the Little Live Things is a comparable achievement for the sixties ... Stegner's craft is here at an apex' Virginia Quarterly Review

*Heart Songs and Other Stories* Feb 14 2020 Before she wrote her Pulitzer Prize-winning bestseller *The Shipping News*, E. Annie Proulx was already producing some of the finest short fiction in the country. Here are her collected stories, including two new works never before anthologized. These stories reverberate with rural tradition, the rites of nature, and the rituals of small-town life. The country is blue-collar New England; the characters are native families and the dispossessed working class, whose heritage is challenged by the neorural bourgeoisie from the city; and the themes are as elemental as the landscape: revenge, malice, greed, passion. Told with skill and profundity and crafted by a master storyteller, these are lean, tough tales of an extraordinary place and its people.

Crossing to Safety Dec 18 2022 A novel of the friendships and woes of two couples, which tells the story of their lives in lyrical, evocative prose by one of the finest American writers of the late 20th century. When two young couples meet for the first time during the Great Depression, they quickly find they have much in common: Charity Lang and Sally Morgan are both pregnant, while their husbands Sid and Larry both have jobs in the English department at the University of Wisconsin. Immediately a lifelong friendship is born, which becomes increasingly complex as they share decades of love, loyalty, vulnerability and conflict. Written from the perspective of the aging Larry Morgan, *Crossing to Safety* is a beautiful and deeply moving exploration of the struggle of four people to come to terms with the trials and tragedies of everyday life. With an introduction by Jane Smiley.

**Recapitulation** Dec 26 2020 In *Recapitulation*, by National Book Award and Pulitzer Prize winner Wallace Stegner, the protagonist of his classic novel *Big Rock Candy Mountain* returns reluctantly to the Salt Lake City of his birth for the funeral of an aunt—the last link to his family's history, and his own. Now in his

sixties, even after a successful diplomatic career among other achievements that he knows derived from his early life in this place, Bruce Mason cannot help but reflect on the childhood misery caused by those same events. Intimate, reflective, even meditative, *Recapitulation* gives us what we are seldom offered, a chance to reconnect with a beloved character, to see who he became, and the opportunity to understand his earlier incarnation through his own eyes.

*The Spectator Bird* Oct 16 2022 Literary agent Joe Allston, the central character of Stegner's novel *All the Little Live Things*, is now retired and, in his own words, 'just killing time until time gets around to killing me.' His parents and his only son are long dead, leaving him with neither ancestors nor descendants, tradition nor ties. His job, trafficking the talent of others, had not been his choice. He passes through life as a spectator. A postcard from an old friend causes Allston to return to the journals of a trip he and his wife had taken years before, a journey to his mother's birthplace, where he'd sought a link with the past. The memories of that trip, both grotesque and poignant, move through layers of time and meaning, and reveal that Joe Allston isn't quite spectator enough. Wallace Stegner was the author of, among other works of fiction, *Remembering Laughter* (1973); *The Big Rock Candy Mountain* (1943); *Joe Hill* (1950); *All the Little Live Things* (1967, Commonwealth Club Gold Medal); *A Shooting Star* (1961); *Angle of Repose* (1971, Pulitzer Prize); *Recapitulation* (1979); *Crossing to Safety* (1987); and *Collected Stories* (1990). His nonfiction includes *Beyond the Hundredth Meridian* (1954); *Wolf Willow* (1963); *The Sound of Mountain Water* (essays, 1969); *The Uneasy Chair: A Biography of Bernard deVoto* (1964); *American Places* (with Page Stegner, 1981); and *Where the Bluebird Sings to the Lemonade Springs: Living and Writing in the West* (1992). Three short stories have won O.Henry prizes, and in 1980 he received the Robert Kirsch Award from the Los Angeles Times for his lifetime literary achievements.

*Collected Stories of Wallace Stegner* Feb 08 2022 These 31 stories span a literary career of more than 50 years and serve as a true testament to "one of America's most distinguished men of letters".--The Boston Globe. Here are tales of young love and older wisdom; of the order and consistency of the natural world; and of the chaos, contradictions and continuities of the human being.

*On Teaching and Writing Fiction* Jun 19 2020 Wallace Stegner founded the acclaimed Stanford Writing Program—a program whose alumni include such literary luminaries as Larry McMurtry, Robert Stone, and Raymond Carver. Here Lynn Stegner brings together eight of Stegner's previously uncollected essays—including four never-before-published pieces—on writing fiction and teaching creative writing. In this unique collection he addresses every aspect of fiction writing—from the writer's vision to his or her audience, from the use of symbolism to swear words, from the mystery of the creative process to the recognizable truth it seeks finally to reveal. His insights will benefit anyone interested in writing fiction or exploring ideas about fiction's role in the broader culture.

**Real Life** Feb 25 2021 A FINALIST for the Booker Prize, the National Book Critics Circle John Leonard Prize, the VCU/Cabell First Novelist Prize, the Lambda Literary Award, the NYPL Young Lions Award, and the Edmund White Debut Fiction Award "A blistering coming of age story" —O: The Oprah Magazine Named a Best Book of the Year by The New York Times, The Washington Post, New York Public Library, Vanity Fair, Elle, NPR, The Guardian, The Paris Review, Harper's Bazaar, Financial Times, Huffington Post, BBC, Shondaland, Barnes & Noble, Vulture, Thrillist, Vice, Self, Electric Literature, and Shelf Awareness A novel of startling intimacy, violence, and mercy among friends in a Midwestern university town, from an electric new voice. Almost everything about Wallace is at odds with the Midwestern university town where he is working uneasily toward a biochem degree. An introverted young man from Alabama, black and queer, he has left behind his family without escaping the long shadows of his childhood. For reasons of self-

preservation, Wallace has enforced a wary distance even within his own circle of friends—some dating each other, some dating women, some feigning straightness. But over the course of a late-summer weekend, a series of confrontations with colleagues, and an unexpected encounter with an ostensibly straight, white classmate, conspire to fracture his defenses while exposing long-hidden currents of hostility and desire within their community. *Real Life* is a novel of profound and lacerating power, a story that asks if it's ever really possible to overcome our private wounds, and at what cost.

**The Gathering of Zion** Aug 02 2021 Pulitzer Prize-winning author Wallace Stegner tells about a thousand-mile migration marked by hardship and sudden death—but unique in American history for its purpose, discipline, and solidarity. Other Bison Books by Wallace Stegner include *Mormon Country*, *Recapitulation*, *Second Growth*, and *Women on the Wall*.

**Wallace Stegner and the Continental Vision** Apr 29 2021 Wallace Stegner (1909-1993) was, in the words of historian T. H. Watkins, "a walking tower of American letters." Winner of the Pulitzer prize and the National Book Award for fiction, founder of the Stanford Writing Program, recipient of three Guggenheim fellowships and innumerable honorary degrees, Stegner was both a brilliant writer and an exceptional teacher. *Wallace Stegner and the Continental Vision* brings together leading literary critics, historians, legal scholars, geographers, scientists, and others to present a multifaceted exploration of Stegner's work and its impact, and a thought-provoking examination of his life. Contributors consider Stegner as writer, as historian, and as conservationist, discussing his place in the American literary tradition, his integral role in shaping how Americans relate to the land, and his impact on their own personal lives and careers. They present an eclectic mix of viewpoints as they explore aspects of Stegner's work that they find most intriguing, inspiring, and provocative: Jackson J. Benson on the personal qualities that so distinctively shaped Stegner's writings Walter Nugent on the historical context of Stegner's definition of the West T. H. Watkins on Stegner's contributions to the modern conservation movement Terry Tempest Williams on Stegner's continuing importance as an "elder" in the community of writers he nurtured Other contributors include Dorothy Bradley, John Daniel, Daniel Flores, Melody Graulich, James R. Hepworth, Richard L. Knight, Curt Meine, Thomas R. Vale, Elliott West, and Charles F. Wilkinson. *Wallace Stegner and the Continental Vision* is an illuminating look at Stegner's many and varied contributions to American literature and society. Longtime admirers of Stegner will appreciate it for the new perspectives it provides, while readers less familiar with him will find it a valuable and accessible introduction to his life and work.

*The Most Beautiful Place on Earth* Nov 24 2020 "Wallace Stegner is widely regarded as the preeminent twentieth-century writer of the American West. Often referred to as the "Dean of Western Writers" (a title which he didn't care for), Stegner enjoyed a successful and prolific career, working at Stanford University and winning the Pulitzer Prize for Fiction in 1972 for his novel *Angle of Repose*. In this manuscript, Matthew Stewart explores Stegner's fiction, essays, as well as the countless letters he received from fans and fellow intellectuals, to as Stewart puts it, "defend, clarify, and mourn" Stegner's "geography of hope." Stewart's study is as much about place as it is about Stegner, as it takes up what it means to be part of communities like southern California or the American West, and how Stegner's connections to and ideas about these places changed over time"--

**Angle of Repose** Jan 19 2023 Stegner's Pulitzer Prize-winning novel of personal, historical, and geographic discovery Confined to a wheelchair, retired historian Lyman Ward sets out to write his grandparents' remarkable story, chronicling their days spent carving civilization into the surface of America's western frontier. But his research reveals even more about his own life than he's willing to admit. What emerges is an enthralling portrait of four generations in the life of an American family. "Cause for celebration . . . A superb novel with an amplitude of scale and richness of detail altogether uncommon in contemporary fiction." —The Atlantic Monthly "Brilliant . . . Two stories, past and present, merge to produce what important fiction must: a sense of the enchantment of life." —Los Angeles Times This Penguin Classics edition features an introduction by Jackson J. Benson. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. *Why I Can't Read Wallace Stegner and Other Essays* Jun 12 2022 This provocative collection of essays reveals the passionate voice of a Native American feminist intellectual. Elizabeth Cook-Lynn, a poet and literary scholar, grapples with issues she encountered as a Native American in academia. She asks questions of critical importance to tribal people: who is telling their stories, where does cultural authority lie, and most important, how is it possible to develop an authentic tribal literary voice within the academic community? In the title essay, "Why I Can't Read Wallace Stegner," Cook-Lynn objects to Stegner's portrayal of the American West in his fiction, contending that no other author has been more successful in serving the interests of the nation's fantasy about itself. When Stegner writes that "Western history sort of stopped at 1890," and when he claims the American West as his native land, Cook-Lynn argues, he negates the whole past, present, and future of the native peoples of the continent. Her other essays include discussion of such Native American writers as Michael Dorris, Ray Young Bear, and N. Scott Momaday; the importance of a tribal voice in academia, the risks to American Indian women in current law practices, the future of Indian Nationalism, and the defense of the land. Cook-Lynn emphasizes that her essays move beyond the narrowly autobiographical, not just about gender and power, not just focused on multiculturalism and diversity, but are about intellectual and political issues that engage readers and writers in Native American studies. Studying the "Indian," Cook-Lynn reminds us, is not just an academic exercise but a matter of survival for the lifeways of tribal peoples. Her goal in these essays is to open conversations that can make tribal life and academic life more responsive to one another.

*Wolf Willow* May 11 2022 'Enchanting, heartrending and eminently enviable' Vladimir Nabokov Pulitzer Prize-winning author Wallace Stegner's boyhood was spent on the beautiful and remote frontier of the Cypress Hills in southern Saskatchewan, where his family homesteaded from 1914 to 1920. In a recollection of his years there, Stegner applies childhood remembrances and adult reflection to the history of the region to create this wise and enduring portrait of pioneer community existing in the verge of a modern world. 'Stegner has summarized the frontier story and interpreted it as only one who was part of it could' The New York Times Book Review

*Wolf* Dec 06 2021 The New York Times bestselling author of thirty-nine books of fiction, non-fiction, and poetry—including *Legends of the Fall*, *Dalva*, and *Returning to Earth*—Jim Harrison was one of our most beloved and acclaimed writers, adored by both readers and critics. Praised as "a raunchy, funny, swaggering, angry, cocksure book." (The New York Times Book Review), *Wolf* tells the story of a man who abandons Manhattan after too many nameless women and drunken nights, to roam the wilderness of northern Michigan, hoping to catch a glimpse of one of the rare wolves that prowl that territory.

**The Dream of the Great American Novel** Apr 17 2020 The first book in many years to take in the full sweep of national fiction, *The Dream of the Great American Novel* explains why this supposedly antiquated idea continues to thrive. It shows that four G.A.N. "scripts" are keys to the dynamics of American literature and identity--and to the myth of a nation perpetually under construction.

**Second Growth** Aug 14 2022 A New England village, untouched by history since the American Revolution, is the unquiet arena containing, but just barely, the aloof natives and the summer residents. Their paths cross, happily or disastrously, in a book that seems too real to be fiction. As Wallace Stegner writes, the conflict on this particular frontier "has been reproduced in an endlessly changing pattern all over the United States."

**Infinite Jest** Mar 29 2021 'A writer of virtuostic talents who can seemingly do anything' New York Times 'Wallace is a superb comedian of culture . . . his exuberance and intellectual impishness are a delight' James Wood, Guardian 'He induces the kind of laughter which, when read in bed with a sleeping partner, wakes said sleeping partner up . . . He's damn good' Nicholas Lezard, Guardian 'One of the best books about addiction and recovery to appear in recent memory' Sunday Times Somewhere in the not-so-distant future the residents of Ennet House, a Boston halfway house for recovering addicts, and students at the nearby Enfield Tennis Academy are ensnared in the search for the master copy of *Infinite Jest*, a movie said to be so dangerously entertaining its viewers become entranced and expire in a state of catatonic bliss . . .

**The Women on the Wall (Classic Reprint)** Jul 01 2021 Excerpt from *The Women on the Wall* The old password came naturally, as if he were back seventeen years. In their college crowd everybody had called everybody else Canby, for no reason except that someone, probably Mel, had begun it and everyone else had followed suit. There had been a real Canby, a sort of goof. Now he was a cpa in Denver, and the usurpers of

his name were scattered from coast to coast. Well, Canby! The filtered voice said heartily. How's the boy? There was a pause. Then Mel's voice, more distorted now, beginning to be his clowning voice, said suspiciously, What was that name again? The Sound of Mountain Water Nov 05 2021 A book of timeless importance about the American West and a modern classic by National Book Award- and Pulitzer Prize-winning Wallace Stegner. The essays, memoirs, letters, and speeches collected in *The Sound of Mountain Water* encompass memoir, nature conservation, history, geography, and literature. Compositions delve into the post-World War II boom that brought the Rocky Mountain West--from Montana and Idaho to Utah and Nevada--into the modern age. Other works feature eloquent sketches of the West's history and environment, directing our imagination to the sublime beauty of such places as Robbers Roost and Glen Canyon. A final section examines the state of Western literature, of the mythical past and the diminished present, and analyzes the difficulties facing any contemporary Western writer. Written over a period of twenty-five years, a time in which the West witnessed rapid changes to its cultural and natural heritage, and by a writer and thinker who will always hold a unique position in modern American letters, *The Sound of Mountain Water* is a hymn to the Western landscape, an affirmation of the hope embodied therein, and a careful and rich investigation of the West's complex legacy.

Wallace Stegner and the American West Oct 12 2019 "Respectful of his subject but never worshipful, Fradkin has given us our first full critical portrait of the man and his protean career.."—Hampton Sides, author of *Blood and Thunder: An Epic of the American West*

The Big Rock Candy Mountain Sep 15 2022 Bo Mason, his wife, Elsa, and their two boys live a transient life of poverty and despair. Drifting from town to town and from state to state, the violent, ruthless Bo seeks out his fortune - in the hotel business, in new farmland and eventually, in illegal rum-running through the treacherous back roads of the American Northwest. In this affecting narrative, Wallace Stegner portrays more than thirty years in the life of the Mason family as they struggle to survive during the lean years of the early twentieth century. Wallace Stegner was the author of, among other works of fiction, *Remembering Laughter* (1973); *Joe Hill* (1950); *All the Little Live Things* (1967, Commonwealth Club Gold Medal); *A Shooting*

Star (1961); Angle of Repose (1971, Pulitzer Prize); The Spectator Bird (1976, National Book Award); Recapitulation (1979); Crossing to Safety (1987); and Collected Stories (1990). His nonfiction includes Beyond the Hundredth Meridian (1954); Wolf Willow (1963); The Sound of Mountain Water (essays, 1969); The Uneasy Chair: A Biography of Bernard deVoto (1964); American Places (with Page Stegner, 1981); and Where the Bluebird Sings to the Lemonade Springs: Living and Writing in the West (1992). Three short stories have won O.Henry prizes, and in 1980 he received the Robert Kirsch Award from the Los Angeles Times for his lifetime literary achievements.

**The Geography of Hope** Sep 22 2020 Through his work for the Sierra Club and the Wilderness Society and his service as special assistant to the Secretary of the interior, Stegner contributed substantially to the emergence and development of the environmental movement.
