Alone after her village is destroyed by Leatherwings, young Melora and her father's horse, Sky, survive on their own with a herd of wild horses until she finds a new home with a civilization of centaurs. A dachshund loses a leg and finds his life's calling—as a therapy dog! Scrappy dachshund Rolf von Noodle may be missing a hind leg, but he's got attitude and can-do spirit to spare! If anything, his tripod status gives him something special: real empathy for people overcoming physical challenges. And as his owner Mindy discovers, it makes him an ideal choice to become a therapy dog. With realistic black-and-white illustrations and an appendix that includes photographs and information about the American Kennel Club's Canine Good Citizen program, therapy dog training, tripod dogs, and more, this is the kind of fact-based fiction reluctant middle grade readers sit up and beg for! For Magic Tree House readers who are ready for something longer, the Dragon Keepers series has the perfect length and reading level, along with the fast-paced writing, adventure, and sense of teamwork that kids love to read. Ten-year-old cousins Jesse and Daisy have always wanted something magical to happen to them. So it's a wish come true when Jesse's newly found thunder egg hatches and a helpless, tiny, but very loud, baby dragon pops out. Soon the two kids are at the dragon's beck and call, trying to figure out what to feed her. An Internet search leads them to the library, which leads them back to the Internet, where they find a very strange Web site called foundadragon.org. Here the cousins discover that the dragon's hatching has designated them "Dragon Keepers." Not only do they have to feed the dragon, whom they named Emmy, but they also have to keep her safe from the villainous Saint George, who has kept himself alive over centuries by drinking dragons' blood! A dog's-eye view of the Mayflower voyage and the first Thanksgiving at Plymouth Colony! English springer spaniel Dash and his furry friend Mercy--a mastiff--travel with their master, John Goodman, in search of the New World. Taken from the pages of history, this Dog Diary follows the story of the colonists whom we now call Pilgrims, from their sixty-six-day voyage at sea to the celebration of their first harvest with the Wampanoag Indians who become their friends and advisors. With realistic black-and-white illustrations by Tim Jessell and an appendix including information about the Mayflower, Plymouth Colony, springer spaniels, and the

primary sources on which the book is based, this is historical fiction that dog-loving middle graders--and educators--can be truly thankful for! In a very cute and basic way, Baby Kermit shows how easy it is to go to the potty. Youngsters will be encouraged by this charmingly illustrated story. Winnie the Pooh, Kanga, and Roo bake a yummy cake. Cousins Jesse and Daisy, along with their pet dragon, continue their battle against the evil scientist who has plans to destroy the forest in order to find the magical golden ax that is buried there. Fans of dog stories and the RMS Titanic, take note! This new entry in the Dog Diaries series—based on a true story—is narrated by a pampered Peke that survived the fateful voyage! Sun Yat-Sen—aka Sunny—enjoys the finer things in life. Noble canine companion to globe-trotters Henry and Myra Harper, Sunny doesn't even like to walk, preferring instead to be carried! Sunny and the Harpers are traveling on the maiden voyage of the RMS Titanic—the biggest, finest ship in the world. So imagine Sunny's horror when he learns he must stay in the Titanic's kennel with eleven other dogs, not in the Harpers' luxurious stateroom! It's . . . unthinkable! But only four days into the voyage, Sunny learns the true meaning of tragedy when, hidden inside Myra's fur coat, he escapes the sinking ship in a lifeboat. Based on a true story, with realistic black-and-white illustrations throughout and a fact-filled appendix that includes information about the RMS Titanic, Pekingese dogs, and more, this is historical fiction for middle graders who don't realize they like historical fiction! The world treats Twinky like a dinky dog. The only problem is that Twinky doesn't feel dinky. What can a little dog do to prove the age-old adage that size doesn't matter? With engaging characters, easy-to-follow plots, and popular topics, Twinky The Dinky Dog is an ideal Step 3 reader for children who are ready to begin reading on their own. A German shepherd—the first dog trained at Dorothy Eustis's famous Seeing Eye guide-dog school for the blind—looks back at her life. Chosen for her intelligence, obedience, and willingness to learn, Kiss knows there is more to life than chasing balls and chewing bones. She is a Noble Creature and Great Things await her. But after spending months learning to take care of her beloved trainer Jack, why does he suddenly want her to take care of Morris—a strange, clumsy man who wants to change her name to Buddy? Could it be that Morris needs Kiss to take care of him even more than Jack did? Based on a true story, and featuring realistic black-and-white illustrations by Tim Jessell (plus an appendix with information about German shepherds, the history and training of guide dogs, hosting guide-dog puppies, and much more), this canine confessional is pitch-perfect for smart, dog-crazy, early middle-grade readers! "An English springer spaniel's tale of the Mayflower voyage and the first Thanksgiving at Plymouth Colony"-- Get ready to grow and learn all about trees with the Cat in the Hat--a perfect gift for nature lovers on Earth Day and every day! The Cat in the Hat's Learning Library is a nonfiction picture book series that introduces beginning readers ages 5-8 to important basic concepts. The Cat in the Hat and friends explore some of the world's most amazing trees, teaching beginning readers how to identify different species from the shape of their crowns, leaves, lobes, seeds, bark, and fruit. Kids will learn about many trees common to North America. Featuring beloved characters from Dr. Seuss's The Cat in the Hat, the Learning Library are unjacketed hardcover picture books that explore a range of nonfiction topics about the world we live in and include an index, glossary, and suggestions for further reading. The Dragon Keeper series bridges the gap between Magic Tree House Merlin Missions and Harry Potter. An original short story (only available electronically!) adds background information to the newest book in this magical middle grade adventure series. It's an exciting adventure featuring Emmy's parents and the origins of the second dragon egg that appears in The Dragon in the Sea (Dragon Keepers #5). Praise for The Dragon in the Sock Drawer: "Funny and wonderfully written--a tall-tale adventure sure to grab young readers."--Mary Pope Osborne "This novel, with its unique and modern twists, is a great addition to the dragon genre for younger readers."--School Library Journal A visit to Reed's music shop provides a tuneful experience in selecting a musical instrument. Looking forward to introducing Emmy the dragon to her first snowfall on Christmas morning, Jesse and Daisy are astonished to receive a note from Emmy that says she has gone away with Santa, a revelation that prompts a visit to the North Pole. the young people left behind work, play, and wrangle for position as head honcho In this Horse Diaries–meets–Dog Diaries Special Crossover Edition, a horse with a bad reputation meets his match in a no-nonsense fire dog and the biggest, hottest flames Chicago has ever seen! In the 1800s, firefighters needed horses to pull the fire trucks. But horses spook easily and run away from fire—so they needed fire dogs. Cinders is a dappled gray horse with a bad reputation. When he first arrives at the firehouse, he refuses to even enter his stall. But a kind man, his daughter, and a smart dalmatian named Sparky convince him he’s made to be a firehouse horse. Will he learn to brave the flames in time to stand up to the biggest, fiercest, most frightening fire the city has ever faced? Get the dog’s side of the story! Read Dog Diaries Special Edition: Sparky.

Dragon Keepers Jesse and Daisy, along with their dragon, Emmy, must save their friend Professor Andersson from an evil witch, who happens to be St. George the Dragon Slayer's girlfriend.

Barry der Menschenretter—a.k.a. Barry—the most famous St. Bernard dog in history, tells the story of his life for the first time. Eight-thousand feet above sea level, in the treacherous pass in the Alps between Italy and Switzerland, the monks of the hospice of St. Bernard have, since the 11th century, kept dogs to help them rescue travelers lost in the snow. In time, these dogs became a breed unto themselves, named for the hospice. They are responsible for helping over 2,000 travelers who might otherwise have frozen to death. With great modesty, Barry tells not just about his own heroic exploits (saving over 40 lives, including that of a 12-year-old boy frozen in a cave), but about his daily life in the hospice, his close relationship with the brothers who train him, and about the other hospice hounds with whom he teams up to guide lost travelers and save lives. With realistic black-and-white illustrations by Tim Jessell—plus an appendix with information about St. Bernards, the Great St. Bernard Hospice, and much, more—Barry's tale is perfect for dog-crazy middle-grade readers!

In A Gathering of Wings, Malora leaves the safety of Mount Kheiron for the bush and the bustling city of the Ka in search of Sky, the stallion who used to lead Malora's herd of horses. Accompanied by her closest friends, Malora is faced with making decisions about her future in new ways.

George Washington’s transformation from farmer to Father of Our Country—as told by his dog Sweetlips! Sweetie was the finest foxhound in George Washington’s kennel. But Sweetie’s idyllic days at Mount Vernon were cut short when her master was chosen to represent Virginia at the first Continental Congress in Philadelphia—which he attended with Sweetlips by his side. Follow their journey from the hunt country of Virginia to the battlefields of the Revolutionary War in this meticulously researched, unique historical novel. With realistic black-and-white illustrations by Tim Jessell, an appendix including information about George Washington and the history and breeding of American foxhounds, plus links to the primary source material on which the book is based, this is the kind of historical fiction that dog-loving middle graders—and educators—sit up and beg for!

A stray dog's moving tale about life with Abraham Lincoln—our sixteenth American president and a true animal lover! Meet Fido—a "yaller" mutt who was Abraham Lincoln's constant companion and pampered family pet at the time he was elected President. Smart, friendly, and frightened of loud noises, Fido was uniquely positioned to witness American history . . . when he wasn't trying to hide under a piece of furniture! Young readers will hear from Fido about Abraham Lincoln's love for all creatures (great and small), his unique methods of child-rearing, his most famous speeches—including the Emancipation Proclamation—and the tragedy that cut short his life. With realistic black-and-white illustrations throughout and a fact-filled appendix including information about Abraham Lincoln the animal lover, animal cruelty laws, and more, this is historical fiction for middle graders who don't realize they like historical fiction!

Queen Elizabeth II's corgi Susan spills secrets of life in the Royal Family! Gifted to Princess Elizabeth on her 18th birthday, Susan was the cherished companion of the future monarch—even joining the princess on her honeymoon in 1947! Eight years later, she was in attendance when Elizabeth was crowned Queen. How does a Royal Corgi spend her days? What goes on in the Corgi Room in Buckingham Palace? Susan reveals all, along with details about Elizabeth's work as a lorry driver during World War II—where she learned to take apart an engine and put it back together! With realistic black and white illustrations throughout and a fact-filled appendix, this is the kind of historical fiction that reluctant middle-grade readers will bow down to with respect! Life on Perseus's island of Serifos hangs in a precarious state of balance - the legacy of war - but his own routines are relaxed and calm. However, a beautiful stranger arrives and shatters the peace for everyone. Perseus is smitten, but others are suspicious, for Andromeda has a unique and potentially powerful gift. But she also has a harsh destiny to fulfil. She must die to save her people, and a stunning, word-changing discovery will die with her - unless Perseus abandons all his beliefs to confront the horror of the Medusa quest. In a mesmerising novel which combines Ann Halam's own skilful blend of magic realism with the rich otherworldly power of a favourite Greek myth, this is a story of hope and survival, and the sheer determination of two young people against all the odds. Charles Dickens' Havanese sheds light on the writing of A Christmas Carol in this Dog Diaries Special Edition! Like the Spirit of Christmas Past, Timber—aka Tiny Tim—journeys from Victorian England to the present to reveal what life was like for the man who "invented" Christmas! Given as a gift to Dickens during a book tour, small, shaggy "ridiculous" Timber became the great writer's constant companion. And whether at Dickens' feet while he acted out his stories before writing them down, or entertaining Dickens' vast litter of ten children before a blazing Yule log, Tiny Tim's tale is as lively as a holiday jig! Featuring an embossed and gold foil-trimmed cover, plus 16 pages of Dickens-inspired crafts and recipes, this Dog Diaries Special Edition makes the perfect Christmas gift or stocking stuffer. With realistic black and white illustrations throughout and a fact-filled appendix, this is the kind of historical fiction that reluctant middle-grade readers beg for! A Step 3 Biography Reader about Theodor Geisel and his transformation from a doodler into the beloved Dr. Seuss. Little Ted Geisel always had a sketchpad and pencil in hand. He was a Boy Scout with a penchant for creating zany creatures. He grew up with a love of books and words from his mother, and his inventor father spawned a wildly imaginative and perfectionist side. It's no wonder that these qualities led to the beloved work of Dr. Seuss, the Great Doodler. Follow his career as an ad man, political cartoonist, creator of forty-five indelible children's books, and Pulitzer Prize winner. Not bad for a lifelong doodler! Includes fun facts and several of Dr. Seuss's original sketches and artwork! Selected as one of the Best Children's Books of the Year-2017, by the Bank Street College of Education and Children's Book Committee! Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. For children who are ready to read on their own. A new character joins the ranks of powerful, kick-ass heroines such as those written by Tamora Pierce, Kristin Cashore, Esther Freisner, and Robin McKinley—Malora Ironbound. A great read also for anyone who loves horses and the Greek myths. Malora knows what she was born to be: a horse wrangler and a hunter, just like her father. But when her people are massacred by batlike monsters called Leatherwings, Malora will need her horse skills just to survive. The last living human, Malora roams the wilderness at the head of a band of magnificent horses, relying only on her own wits, strength, and courage. When she is captured by a group of centaurs and taken to their city, Malora must decide whether the comforts of her new home and family are worth the parts of herself she must sacrifice to keep them.
