Hélas, dès son arrivée, elle tombe nez à nez avec Riley. Mais à sa grande surprise, ce dernier pose aujourd'hui sur elle un regard neuf, emprunt de curiosité et de maturité. A propos de l'auteur : Auteur à succès d'une cinquantaine de romans, Susan Mallery a le don de créer des ambiances pleines de charme et de séduction, où se mêlent subtilement psychologie et sensualité. Un parfum d'été est son premier ouvrage publié dans la collection « Jade ». Con alegría, afecto y alguna turbación, Courtney, Sienna y Rachel tienen el placer de invitarlos a la boda más emotiva del año: la de su madre. La organización de la boda de su madre dejó su vida oculta al descubierto, cambiando la imagen que su familia tenía de ella para siempre. Sienna, el espíritu libre Cuando su novio le propuso el matrimonio delante de su madre y sus hermanas -¿dónde se había visto eso?-, Sienna se quedó atónita. Rachel, la escéptica Rachel pensaba que el amor era eterno hasta que se divorció; pero su ex le pidió una segunda oportunidad y, a medida que se acercaba la fecha de la boda de su madre, Rachel empezó a ser consciente de algunas verdades incómodas en lo tocante a la ruptura de su matrimonio. Ahora, tenía que elegir entre su orgullo y su felicidad. Grace is fascinated by the wolves in the woods behind her house; one yellow-eyed wolf in particular. Every winter, she watches him, but every summer, he disappears. Sam leads two lives. In winter, he stays in the frozen woods, with the protection of the pack. In summer, he has a few precious months to be human . . . until the cold makes him shift back again. When Grace and Sam finally meet, they realize they can't bear to be apart. But as winter nears, Sam must fight to stay human - or risk losing himself, and Grace, for ever. UNDER SUSPICION There was no doubt that the woman who called herself Evie Shaw was the key to the high-tech conspiracy that threatened Robert Cannon's computer company—and he meant to take her down personally. But as he trailed her into the heart of a long, hot Southern summer, he found himself questioning everything he believed. "Und rosa Schwäne, die auf dem Pool schwimmen ..." Courtney ist entschlossen, ihrer Mutter eine Traumhochzeit in Pink zu organisieren. Auch wenn sie selbst, die rosarote Brille schon lange abgesetzt hat. Ihre beiden Schwestern, Rachel und Sienna, sind ihr keine große Hilfe, da diese ebenfalls nach Enttäuschungen dem "schönsten Tag im Leben" mehr als kritisch gegenüberstehen. *the vibrant personalities who create them, for college audiences and the general public. Dean published the world's first history of Rock in 1966. Here, in his ebullient style, he buzzes through piles of musical singles from the whole last half century, describing what is fun about each major and minor hit, pointing out what elements were exciting or new or significant in the development of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. "Hearing Elvis for the first time was like busting out of jail." - Bob Dylan That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. "There's nothing in here to hide from the kids, the clergy or grandma." Gold Rush can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. Gold Rush takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. Gold Rush unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's Movie Guide helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. Gold Rush explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike Gold Rush to the #1 songs of today and beyond. Jill Strathern left town for the big city and never looked back—until she returned home years later to run a small law practice. It turns out her childhood crush, Mac Kendrick, a burned-out LAPD cop, has also come back to sleepy Los Lobos. Even though Mac rejected her back in high school, Jill can't deny the attraction she still feels for him. Now Jill and Mac are tangled in enough drama to satisfy the most jaded L.A. denizens—Mafia dons, social workers, angry exes and one very quirky eight-year-old make even the simplest romance complicated. goes to prove that when it comes to affairs of the heart, there's no place like home. An unlikely pair...but a perfect match. Con orgoglio e anche un po' di trepidazione Courtney, Sienna e Rachel Watson vi invitano alle nozze più emozionanti dell'anno... quelle della loro madre. Courtney, solitaria e impacciata, non ha molto in comune con le due sorelle, ma in una cosa eccelle davvero: nel mantenere i segreti. Soprattutto quando si tratta della relazione top secret che ha con un famoso produttore discografico. L'organizzazione delle nozze di sua madre, però, proietta una nuova luce sulla sua vita e sulla sua famiglia, tanto da spingerla a mettere in discussione molte delle scelte prese fino a quel momento. Sienna, spirito libero e indipendente, non ha preso bene la proposta che il suo fidanzato ha pensato di farle proprio davanti alla madre e alle sorelle. Lei ha già due rapporti finiti male alle spalle e dire sì non fa parte dei suoi progetti... Tuttavia non può rimanere immune dalla ventata di ottimismo che si respira in famiglia. Rachel, innamorata dell'amore, ha sempre creduto ciecamente nel e vissero per sempre felici e contenti, finché il suo matrimonio si è chiuso con un divorzio tutt'altro che amichevole. Ora, con il matrimonio della madre alle porte, il suo ex implora una seconda opportunità e lei è costretta a riconoscere le scomode verità legate al fallimento del loro rapporto. Forse mettere a tacere l'orgoglio le permetterà di vivere un secondo lieto fine. SHOTGUN GROOMS by Susan Mallery and Maureen Child Lucas's Convenient Bride Lucas MacIntyre stands to inherit half of a saloon, gold mine, and ranch, but there's just one problem: his uncle created a clause in his will, stipulating that he and his brother must marry if they want to claim their property. So Lucas proposes that Emily Smythe, the hard-edged newcomer, become his wife so that she can manage his saloon and he can inherit. But Lucas never counted on falling for Emily... Jackson's Mail-Order Bride When loner Jackson MacIntyre wakes up from a delirious fever, it's to find that he's not only wedded Miss Molly Malone, but he's bedded her, too! Yes, he'll get his inheritance now that he's fulfilled the terms of his father's will by getting married, but how can he enjoy it when an Irish spitfire's determined to complicate his life? It certainly doesn't help that he can't resist her no matter how hard he tries... Falling in love is a complicated, messy, mad endeavour - and staying in love is even worse. All too often our hopes end in heartbreak and our dreams in tatters, but there is a rational alternative to romantic despair. Drawing on her own experience as a psychoanalyst, and the combined wisdom of philosophers, poets, scientists and singers, Anouchka Grose offers some serious solutions to the conundrums of love.
